

What is Alpha?

Alpha is an opportunity to explore the big questions of life and Christian faith.

It is intentionally created to be an open, friendly, low-pressure environment to explore and ask questions.

No question is 'off the table' and everyone is welcome.

Alpha's have taken place in churches, pubs, prisons and in homes now even online via Zoom.

What to expect at Alpha?

Alpha runs eleven weeks.

Each week you'll be sent a zoom link to join with the Alpha series participants.

Each week we will watch an engaging 25 minute film on various topics.

After you've watched, you join others back in the online 'Zoom' group to chat and engage in open, honest discussions.
